CURRICULAM VITAE

Personal Details

Name	**:**	**Koeli Ghoshal**
Position	**:**	Associate Professor Department of Mathematics Indian Institute of Technology (IIT) Kharagpur 721 302 Phone No - -03222 283666 (O) Email: **koeli@maths.iitkgp.ernet.in** **drmrsk@yahoo.co.in**
Present address	**:**	B-266, IIT Campus, Kharagpur-721 302 Phone No - -03222 283667 (R) Mobile- +91 9830362053
Permanent address	**:**	60/13, N. C .Moitra Street Kolkata-700 035 Phone No - +91-033-2577 2236 (R)

Educational Qualifications

Examination Passed	Year of passing	Board/University
Ph. D. in Applied Mathematics (Fluid Mechanics)	2005	Jadavpur University, Kolkata (Research work done at Indian Statistical Institute, Kolkata)
M.Sc. in Applied Mathematics	1996	Burdwan University (First Class)
B.Sc.(Hons.) in Mathematics	1994	Burdwan University (First Class)

Title of the thesis:

On velocity and suspension concentration in a sediment-laden flow: Experimental and theoretical studies.

Work experiences:

- From 4th April, 2016 working as **Associate Professor** in the Department of Mathematics of IIT, Kharagpur.
- From 19th February 2007 to 3rd April 2016 worked as **Assistant Professor** in the Department of Mathematics of IIT, Kharagpur.
- Worked as a **Research Associate** from September 2006 to 18th February 2007 at PAMU of ISI, Calcutta.
- Worked as a **Visiting Scientist** from November 2005 to June 2006 at PAMU of ISI, Calcutta.
- Worked as a **Research Fellow** at Fluvial Mechanics Laboratory, Physics and Applied Mathematics unit (PAMU) at Indian Statistical Institute (ISI), Calcutta with Professor B. S. Mazumder from November 1999 to October 2005.

.

Research Area:

- Turbulent flow in open channel
- Sediment transport
- Grain-size distribution
- Mathematical Modelling
- Secondary current
- Entropy theory

Publications in journals : (SCI = Science Citation Index, IF = Impact Factor)

After joining IIT

1. Manotosh Kumbhakar and Koeli Ghoshal (Accepted 2016), One Dimensional velocity distribution in open channels using Renyi entropy, ***Stochastic Environmental Research and Risk Assessment.*** **SCI and IF: 2.237,** Publisher: **Springer**.

2. Manotosh Kumbhakar and Koeli Ghoshal (2016), Two dimensional velocity distribution in open channels using Renyi entropy, ***Physica A: Statistical Mechanics and its Applications,*** Vol 450, pp 546-559**. SCI and IF: 1.785,** Publisher: **Elsevier**.

3. Debasish Pal and Koeli Ghoshal (2016), Vertical distribution of fluid velocity and suspended sediment in open channel turbulent flow, ***Fluid Dynamics Research***, Vol 48(3), pp 1-27. **SCI Expanded and IF: 0.990,** Publisher: **Institute of Physics.**

4. Debasish Pal, Sanjeev K. Jha and Koeli Ghoshal (2016), Velocity lag between particle and liquid in sediment-laden open channel turbulent flow, ***European Journal of Mechanics B/Fluids,*** Vol 56, pp 130-142. **SCI and IF: 1.656,** Publisher: **Elsevier**.

5. Debasish Pal and Koeli Ghoshal (2015), Grain-size distribution in open channel by mixing length approach *by* ***Environmetrics*** Vol 26(2), pp 107-119. **SCI and IF: 1.514**, Publisher: **Wiley.**

Reviewer

(i) Earth surface processes and Landforms
(ii) Sedimentary Geology
(iii) Environmental Earth Sciences
(iv)Journal of Applied Fluid Mechanics

Professional recognition, awards, fellowships received:

(i) Selected among **Teachers Receiving Top Teaching Feedback Responses** in the Academic session 2015-2016 at IIT, KGP for teaching Maths-II for 1st year undergraduate students.

(ii) Selected among **Teachers Receiving Top Teaching Feedback Responses** in the Academic session 2014-2015 at IIT, KGP for teaching Maths-II for 1st year undergraduate students.

(iii) Selected for the award of **Young Scientist fellowship** in the SERC FAST TRACK proposal of Department of Science and Technology (DST), New Delhi.

(iv) Received **G. M. Nawathe award** for best paper in the conference in HYDRO-2002, Indian Society for Hydraulics, Pune.

(v) Fellowship received from Department of Science and Technology (DST), New Delhi and Council of Scientific and Industrial Research (CSIR), New Delhi as Research Fellow.

(v) National Scholarship holder

Project undertaken as Principal Investigator

Title: Flow perturbation and sediment suspension over sandy bedforms: Theoretical and experimental studies.

Duration: 1st January, 2008 – 31st December, 2010

Sponsored Agency: DST, MHRD

Teaching at IIT Kharagpur

1. MA10001 Maths 1 (2009, 2010)
2. MA10002 Maths 2 (2011, 2012, 2013, 2014, 2015, 2016)
3. MA20101 Transform Calculus (2007, 2008, 2011)
4. MA20103 Partial Differential Equations (2009, 2012, 2013, 2015)
5. MA 20102 Numerical solution of ordinary and partial differential equations (2008, 2009)
6. MA 20103 Linear Algebra (2013)
7. MA 40002/MA51004 Integral equation and variational methods (2008, 2009, 2010)
8. MA 40011/MA 51003 Fluid Mechanics (2008)
9. MA 41005 Advanced Numerical Technique (2010)
10. MA 51005 Analytical Mechanics (2015)
11. Preparatory Mathematics (2010, 2011)

Ph.D. Guidance

- Mr. Snehasis Kundu (Single guidance) submitted his thesis in July, 2014 and his defense was held on 20th January, 2015.
- Ms. Mukulika Brahma (Joint guidance) submitted her thesis on 6th July, 2015 and her defense was held on 9th February, 2016.
- Mr. Debasish Pal (Single guidance) submitted his thesis on 9th October, 2015 and his defense was held on 29th March, 2016.
- Mr. Manotosh Kumbhakar (Single Guidance) is pursuing for Ph. D. (3rd year ongoing).

- Mr. Punit Jain (Single guidance) is pursuing for Ph. D. (1st year ongoing).
- Ms. Shreyasi Basak (Single guidance) is persuing for Ph. D. (1st year ongoing).

Institute/Departmental Activities

- Worked as Faculty Advisor for 5 year Integrated M.Sc. (Maths and Computing) for five years (from July 2007 to May 2012).
- Worked as examiner in JAM-2007 and scrutinizer in JAM-2008
- Worked as member of time table committee in the department for two years (from 1st July, 2009 to 30th July, 2011)
- Worked as In-charge of Maths Colloquium for two years (2010-2012)
- Worked as Assistant Warden (Mess) in RLB Hall for two years (from 1st October, 2011 to 31st October, 2013).
- Working as Member of Departmental Academic committee, Purchase committee, Computer committee, In charge of Maintenance and Social functions etc.
